

Setting up Application Environment

Create IBM Cloud Account

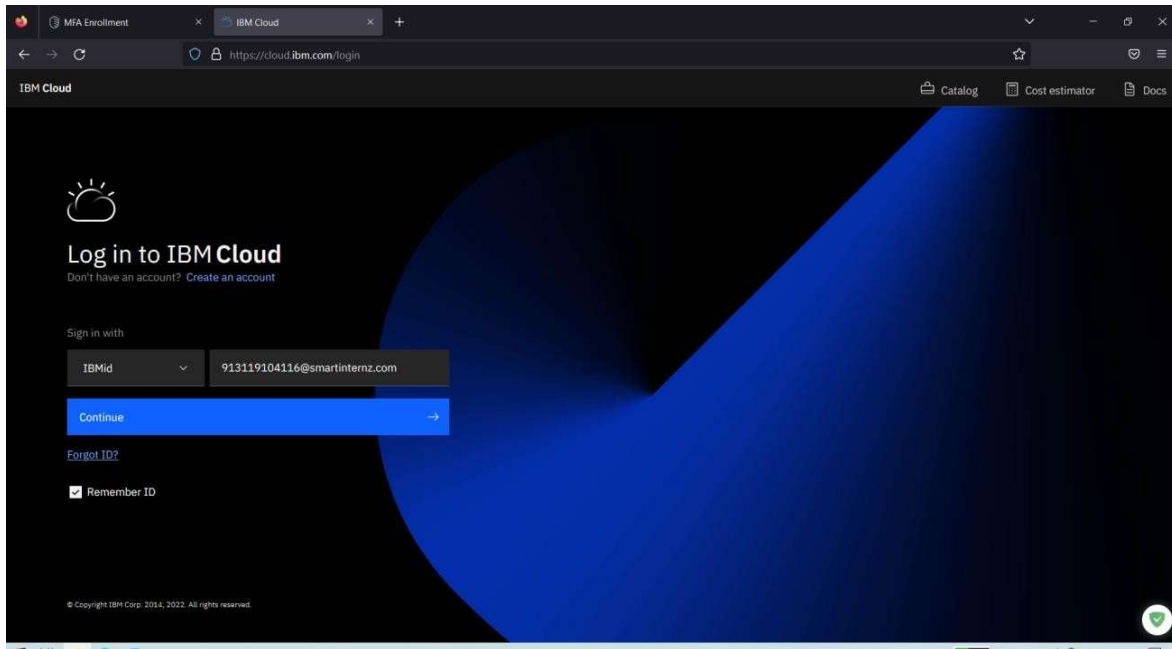

Date	19 October 2022
Team ID	PNT2022TMID09785
Project Name	Skill/Job Recommender Application

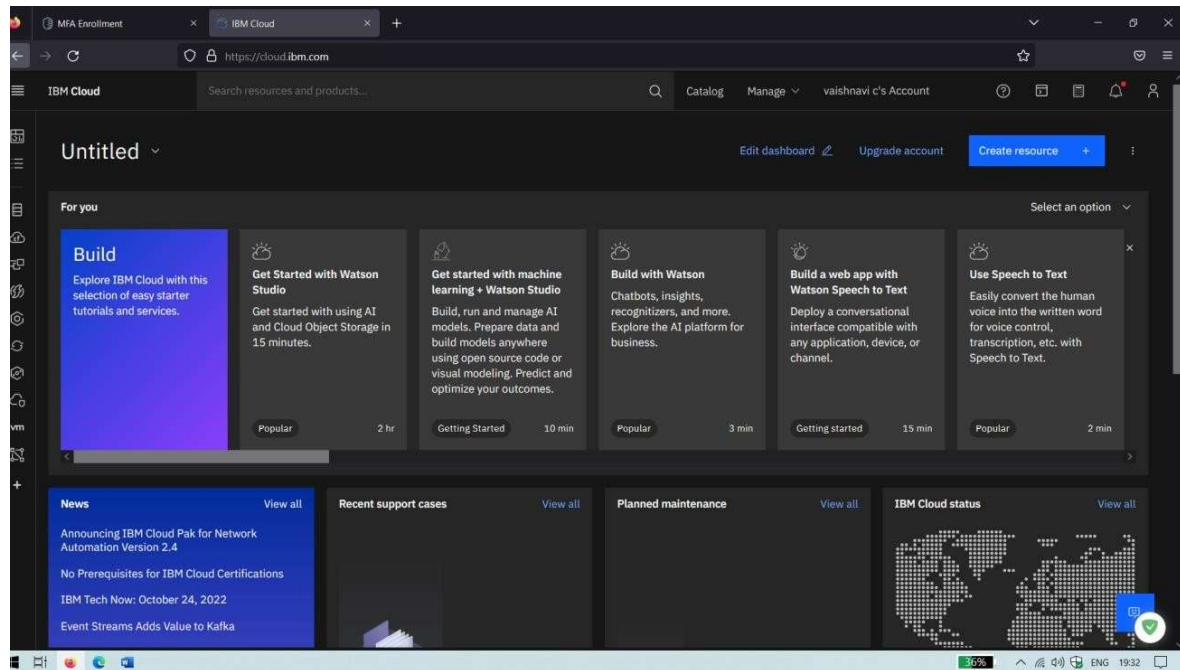

Step 1. Navigate to ibm.com/academic and register with your smartinternz mail

The image shows two screenshots from a web browser. The top screenshot is the IBM SkillsBuild Software Downloads page. It features the IBM logo, navigation links (SkillsBuild, Topics, Usage terms, Additional Resources, FAQ), and a large hero image of a group of people sitting on a curved brick wall. The text on the page reads: "IBM SkillsBuild Software Downloads", "Harness the power of IBM. Get easy no-charge access to the tools you need to develop the next great thing. Enjoy powerful technical and strategic resources from IBM. Jump right in with access to powerful services and the most prominent open-source computer technologies, or take advantage of hands-on resources that will teach you about data science, artificial intelligence, security and more." Below this text are two buttons: "Already registered? Log in" and "Register now".

The bottom screenshot shows the registration form on the IBM Academic Initiative page. The URL in the address bar is <https://academic.ibm.com/a2ml/email-auth>. The page title is "IBM SkillsBuild Software Downloads". On the left is an image of two students working on a laptop. The main content area has the heading "Enter your academic institution issued email to begin" and a subtext: "Only the students and faculty of participating academic institutions are eligible to access this website. Please enter your academic institution issued email below to register." Below this is a text input field containing the email address "913119104116@smartinternz.com". There is a link for "Find answers in our frequently asked questions" and a "Submit" button.

Step 2: Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

Output :

Cloud account created successfully.
